Welcome to the January Newsletter.

Happy New Year to you (if it's not too late to say that!). Before we look ahead to 2022, I just want to take a moment to celebrate what felt like a really special series of services and events during the Christmas season, in what were very challenging circumstances.

From the Carol services (indoors and outdoors) to the Kid's Church Christmas Party to the Crafts and Movie and Board Games events to the Pantry sessions- there was palpable sense of the Holy Spirit moving among us and our community. I want to publicly thank all of you that made these things happen with your time, enthusiasm and creativity!

January is naturally a quieter time in the church calendar and it's a great time for us to take stock and look at changes we might want to make in our lives. As part of your new year's resolutions, I encourage you to think about ways you might want to re-engage and re-energise your church life.

Maybe you want to refresh your basic understanding of the faith by joining the Start group starting at the end of the month? Maybe you want to re-commit to the life of the church by serving in a new way (or taking back up something you stopped doing during the pandemic)?

As we look forward to a new year (with new challenges) I believe God is doing exciting things among us and I hope we will begin to see shoots of new life springing from wreckage of the last two years begin to grow and flourish here among us and throughout Everton.

Start!

Start is a group that meets for six weeks designed to help you discover more about God, Jesus and the journey of life, looking at questions such as:

- What's life all about and where are we going?
- Does God exist and what is He like?
- Why is the world in such a mess?
- Who was Jesus, and is He relevant?
- What does Jesus' death on the cross mean for me today?
- How far can I go forward with God in my life?

If you're interested in joining a Start group, please speak to **Adam**. The first sessions will begin at the end of January with dates and times to be decided based on people's availability.

Join a Team!

Why not take up something new this year and join one of the teams that serve in church? Serving together with others in church brings with it deep joy and connection, as we live out what it means to love one as a community of friends. There's lots of ways you can get involved this year- why not join in with

- Hospitality Teams
- Music Group
- Kid's Church (5-11s) or Youth Events (11-18s)
- St George's Pantry (on Fridays)
- Reading and Praying in church
