www.stgeorgeseverton.com

Hello! Welcome to July's Newsletter. Church life feels like its beginning to flourish again! Following our service of Lament & Healing last month, where we held before good our moments and feelings of grief, we saw the beginnings of joy returning to St George's again.

First, we had our first Family Worship service, which was a wonderful, chaotic cocktail of children and adults worshipping together for the first time since the pandemic began. It was great to see our youngest church members again and we are going to do it again on **Sunday 11th July at 10am.**

Second, we also welcomed families for the first baptism services since the pandemic began too. This is just the beginning of a busy and exciting summer, where we will welcome more children (and adults!) for baptism, as well as couples for weddings too.

We are also delighted that Kids Church is able to restart in person this month (sessions on **4th** and **18th** at **11am**)- in its new venue, the Beacon School. We are extremely blessed to have use of the school site, which provides a safe and secure space for our children to learn together about Jesus. Parents, please drop off your children at the gate in the churchyard before the service starts.

As things get busier again, we also want to invite more people to join in the life of the church. The church is meant to be a like a body, with many different parts working together to support and complement each other. So don't sit on the side-lines, get stuck in, there's room enough for all!

Adam

Join in!

As restrictions ease, our Sunday services will eventually be able to return to life in all its fullness! However, to make this happen we need people to get involved. We encourage everyone (no matter how long and how often you attend) to commit to serving in one or more of the following ways.

- **Hospitality**- Welcoming at the door and serving refreshments afterwards.
- Reading the **Bible** and Leading **Prayers**
- Joining the **Music Group**
- Operating the **computer**
- Leading **Kid's Church** (this requires a full DBS check)

The more people who join in the better it will be for all! Please speak to Adam or Natalie about getting involved.

Kid's Church restarting in person

Kid's Church is starting back up in person this month on **4th** and **18th** **July** in the Beacon School. Children in Reception and above are welcome to join and can be dropped off at the school gate in the churchyard.

Start Course

Would you like to explore a bit more about the Christian faith? We are looking to run the Start Course during the summer for anyone wishing to learn more about the basics of Christianity. Speak to Adam if you're interested.
