**Welcome to the March Newsletter.** I hope you are well!  
The beginning of March marks the beginning of Lent- the 40 days leading up to Easter. Lent is a time traditionally used by Christians to honestly reflect on the state of our lives and how they could be brought more into line with God's will. It's a bit like a spiritual spring clean where we try to get rid of stuff that we don't need or is harming us in our walk with God.

We, of course, can't do this by ourselves, we need the power and guidance of the Holy Spirit and Lent is a time when we can intentionally seek the forgiving and transforming power of God by acknowledging our weaknesses and failures openly before him.

We can do this in a number of ways individually (fasting, giving up something we have an unhelpful reliance on, praying daily at a set time, reading through a book of the Bible). But there are also things we can do together and this Lent I want to invite you to our online **Lent Group** (details below) where we'll reflect on the 'I AM' sayings of Jesus and what they might say to us today.

Also in March, is **Mothering Sunday (Sunday 27<sup>th</sup>)**, a day where we remember and celebrate our mums and all those others who have played a mothering role in our lives. Traditionally it was also a day when people returned to their family church ('Mother Church'). So, Mothering Sunday is also a celebration of coming back to church and it's a great time to invite others to take the step back into church whether it's been a couple of years or a couple of decades or whether it is the first time ever! I hope to see you soon.

Grace & Peace

Adam

### **Lent Group**

This year's Lent Group is going to be exploring the 'I AM' sayings of Jesus in John's Gospel. Making the most of the skills we've learned during the Pandemic, the Lent Group is going to meet on Zoom. We will meet every **Wednesday at 7.30pm** for about an hour. Each meeting is a standalone session so don't worry if you miss any. If you would like to come along but aren't too sure about using Zoom- please speak to Adam- he is happy to show you how. There is also a printed version for anyone who would rather do something offline- you can either do this by yourself or gather a friend or two to do it with you.

### **Youth Meetings on Sundays**

We are hoping to launch a new initiative for young people in secondary school later this month, meeting on Sunday evenings in church. If you are a young person, or a parent of a young person, or know young people who you think would be interested in coming along, please let Adam know and we can keep you updated.

### **Natter Club**

The Natter Club Coffee Morning will be back on **Tuesday 8<sup>th</sup> March 11.30am-1pm**. Come along for a coffee, cake and conversation!
