OCTOBER 2021

Welcome to the October Newsletter. It's starting to feel a lot like Autumn- the leaves are turning brown, the evenings are drawing in, and the temperatures are starting to drop. As the season changes and things feel colder, darker and more lifeless, there's always the temptation to retreat into our shells, physically but also spiritually. The good news of the gospel is that to every dark and cold situation Jesus is shining his light and his life. I hope this will be true this Autumn in St George's that as the temperature in the air plummets, so the warmth of our welcome and life together will increase!

First off, Sunday 3rd October is our **Harvest festival**, where as a sign of our gratitude to God and love for our neighbour, we are giving offerings of food, toiletries and clothing to Asylum Link Merseyside and North Liverpool Foodbank. Both organisations are doing outstanding work with those who are in crisis on the frontline.

Second, we are introducing **Hospitality Teams** at the 11am service to provide a heart-warming welcome to people as they arrive and to serve body-warming refreshments after the service. Please read the notice overleaf for more info!

Third, October finishes with **All Hallows Eve/ Halloween** (31st October) which this year falls on a Sunday. Many people are totally unaware of that Halloween is originally a Christian festival. This year, we want to rediscover the true meaning of the occasion with a special All Age Service at 4pm followed by a party!

All of these things are better when lots of people get involved, so if you can, sign up to help to spread some light, love and warmth in our church and community this October!

Join a Hospitality Team!

As we build back after the lockdowns of the last 20 months, we want to re-establish our Sunday service as a place of **welcome, connection and community**. To do this we are looking to form four **Hospitality Teams** (each doing one Sunday per month), who's job it will be to provide a welcoming environment for people (new or old) coming to the 11am service. The Hospitality Teams will be responsible for welcoming people, serving refreshments and creating a warm and generous atmosphere before and after the service. If you would like to join a hosting team please speak to **Adam** or **Natalie**.

All Hallows Eve/ Halloween- Sun 31st October

Many people are unaware that Halloween is actually a Christian festival! 'All Hallow's Eve', the night before All Hallows (All Saints Day), was originally a night to mock the powers of darkness (hence the spooky costumes) as a way to celebrate their defeat at the hands of Jesus through the cross. This year we're going to resurrect that tradition with a "*What's the Real Meaning of Halloween?*" All Age Service at **4pm** followed straight after by a party until 6pm. If you're able to help out with the Party, please speak to **Terri** or **Adam**.

Everton Library 125 Year Celebrations

These will take place on the afternoon of **Sat 9th Oct**. If you would like to be part of a small team running a stall and welcoming people into church- please speak to **Adam**
