“God saw everything he had made. And it was very good.”
Genesis 1.31

Welcome to the September Newsletter. September marks the beginning of a new season in the church calendar- the *Season of Creation*.

The Season of Creation is a time to renew our relationship with our Creator and the rest of creation, as we think about what it means to believe that the world that God created calls “very good”. We’re also going to think about what role we have to play in the caring and tending of creation, at a time when it is being polluted and exploited.

All services this month will have a different theme related to creation and there will be lots of resources posted online to get us thinking more about creation. The Season finishes with a week of Generosity and Harvest Festival as we give thanks to God for his gifts to us by passing on gifts to others!

Adam

Season of Creation

The Season of Creation is the annual Christian celebration of prayer and action for our common home. Together, members of different types of churches around the world unite to pray, protect, and advocate for God’s creation.

Generosity Week & Harvest Festival Sun 25th Sep-Sun 2nd Oct is *Generosity Week*, a week of prayer and reflection as we worship our Generous God and ask him to help us become generous people. We will think about our own giving as a church and finish with *Harvest Festival* on Sun 2nd Oct. More information to come!

The Bible Course

Big, confusing, old ... just some of the words people use to describe the Bible. Sound familiar? That’s where *The Bible Course* comes in.

The course will increase your confidence, help you to understand the Bible better and help you to see its relevance to daily life. Over 8 sessions, we walk step by step through the Bible to help you to get a better understanding of the world’s bestselling book!

Bible Course Groups will be running at different times during the week- please sign up or speak to Adam for more information. Sessions last just over an hour and will start the last week of September:

- Mondays 7.30pm (in person)
- Wednesdays 2pm (in person)
- Wednesdays 8pm (online)
