Welcome to the September Newsletter. September marks the beginning of a new season in the church calendar- the *Season of Creation*.

The Season of Creation is a time to renew our relationship with our Creator and the rest of creation, as we think about what it means to believe that the world that God created He calls "very good". We're also going to think about what role we have to play in the caring and tending of creation, at a time when it is being polluted and exploited.

All services this month will have a different theme related to creation and there will be lots of resources posted online to get us thinking more about creation. The Season finishes with a week of Generosity and Harvest Festival as we give thanks to God for his gifts to us by passing on gifts to others!

Adam

Season of Creation

The Season of Creation is the annual Christian celebration of prayer and action for our common home. Together, members of different types of churches around the world unite to pray, protect, and advocate for God's creation. To find out more about the Season of Creation and care for nature more generally, check out these websites:

- seasonofcreation.org
- faiths4change.org.uk
- arocha.org.uk

Generosity Week & Harvest Festival

Sun 24th Sep-Sun 1st Oct is *Generosity Week*, a week of prayer and reflection as we worship our Generous God and ask him to help us become generous people. We will think about our own giving as a church and finish with *Harvest Festival* on Sun 1st Oct. More information to come!

Missing Generations Project Prayer & Vision Nights

As we begin a new journey of partnership with our neighbours St Peter's & St John Chrysostom's, seeking to become a church that reaches the 'missing generation' (people age 11-29) in Everton, we will be holding a weekly prayer and vision night- where we seek God's inspiration together and sense the direction he is calling us to go in. The day, time and venue will be confirmed soon!

Slavery Truth- Talk

On Sunday 1st October (time tbc), we will be hosting a talk by Cambridge PhD student- Malik al-Nasir about the Sandbach-Tinne family corporation, many of whom are buried in St George's churchyard. Malik's story is fascinating as he has discovered his own personal connection to one of the biggest slave-owning families of the period. Come along for what is sure to be a fascinating and eye-opening evening.
